WORK EXPERIENCE

TRACTION AG

- Auburn, IN | (888) 466-6080

Developed the front end of the company's software management application. Developed the front end of internal web app. Worked primarily with Angular, Typescript, SASS, and GraphQL. Implemented feature requirements according to UI mockups. Participated in SCRUM processes as part of the SDLC.

SOFTWARE DEVELOPER

May 2020 - Present

CORSICA TECHNOLOGIES

- Fort Wayne, IN | (260) 432-1364 | **Laid off due to COVID-19 related cutbacks**

Worked on developing the front end of the company's proprietary client portal, which was built with React, as well as made updates and changes to a web app developed specifically for a client's needs (also a React project). Worked on development of an internal web app that needed to be updated to meet changing business requirements. Met deadlines for new features and fixed bugs.
